Jeff:

The Monday meeting will be very similar to the Thursday Comm/Sport fishing meeting. The main difference is the Monday meeting, it appears, is a full 45 minutes with Gina. Given ORD's prominent role in the BBA, it might be a good idea to have someone from ORD present, but I will leave it up to you.

I have not gotten an invite for the Monday meeting yet either, I just wanted to flag it for everyone.

Palmer:

Thanks for clarifying....

I am unavailable on Monday, December 16 as I will be participating in the SAB review meeting for the WOUS Connectivity report. Is ORD participating at the December 16 meeting needed?

As for December 19, I have a noon meeting with Nancy with folks who have questions about both WOUS and BBA. I also have the 4:00 meeting with the Commercial and Sports Fisherman folks on my calendar.

All:

Below is the invite list for the 12/19 meeting with Commercial and Sports Fisherman and Native Tribal Leaders of Bristol Bay. The Admin is scheduled to drop by this meeting for the first 15 minutes (I have this in a separate meeting invite). The reason there are two different meetings is that, while both UTBB and the Comm/Sports/Tribal stakeholders have very similar meeting requests, goals and objectives, there are differences in the make-up the two stakeholder groups that necessitate two separate meetings.

Both UTBB and the Comm/Sports/Tribal stakeholders will press for details on EPA's finalization of the Bristol Bay Assessment and encourage expediting its release and both groups will likely stress their desire for EPA to initiate a regulatory action (as soon as the Assessment is released) to protect the Bristol Bay, particularly its fishery resources, from the adverse impacts of large-scale mining.

ORD, R10 and OW briefed the Administrator on the final Bristol Bay Assessment on 12/5 so she is very informed about the substance and status of the Assessment effort. She also met with UTBB and reps from the other groups while she was in AK earlier this fall.

I'm cc'ing my co-leads on the Bristol Bay Assessment from ORD and R10 so that they are aware of both the 12/16 UTBB meeting and 12/19 Comm/Sports/Tribal stakeholders meetings, as they should be included on invites to both.

Do you know if the Administrator is attending the sportsmen mtg? I'm unfamiliar with that one.

Hi Noah-

It looks like there is also a meeting with commercial and sports fisherman and native tribal leaders of Bristol bay on December 19. Do you have any intel on why there are two separate meetings, and who will be participating in each of them?

Thanks!  
Kendra

Hey Guys,

I'm working w/ AO to invite EPA staff to this meeting w/ UTBB. Can OW and R10 work together on briefing materials and keep Marissa and me in the loop?

Thanks.
